Hello PREP families,

These have been crazy times with news and information changing on a dime. It is challenging to make a plan when, as you know, the recommendation changes so quickly.

In light of these changes, we are offering a **virtual learning option for all grades**. We will do our best to aid you, the primary educator of your child's faith.

IF YOU HAVE ALREADY REGISTERED AND WOULD LIKE TO CHANGE YOUR PREFERENCE, JUST SEND AN EMAIL TO RHAYWARD@STJW.ORG INDICATING YOUR PREFERENCE.

At this time, we are still trying to offer a traditional "in-person" option for PREP. We have delayed the classes until **October 7th**. This date will give us all time to see what happens with the state and school guidelines. This class offering is contingent on many variables. We will do our best to keep you informed.

God Bless you and your families,

Rose Hayward

Director of Religious Education
